Olympic Cascade Aquatics is a Mercer Island based business focusing on youth aquatics instruction and aquatic facility management. Olympic Cascade Aquatics strives to promote swimming as a lifetime sport for the community, and provide a comprehensive program for everyone to use.

The **Mercer Island—Mary Wayte Pool** was built in 1972 as part of the King County Forward Thrust Bond issue and was originally the Mercer Island District Pool. It was renamed in the early 1990's after former Mercer Island resident Mary Wayte captured two gold medals in the 1984 Olympic Games held in Los Angeles, California. She also captured two more medals in the 1988 Olympics in Seoul, South Korea. The pool was operated by King County Parks until 2002 when King County divested itself from facilities located in suburban cities. Northwest Center owned and operated the Mary Wayte Pool from 2003 until 2010. When no other operators for the pool could be found, Olympic Cascade Aquatics partnered with the Mercer Island School District and with the financial assistance of the city of Mercer Island, began to operate the pool in 2011. Olympic Cascade Aquatics continues to operate the pool for the benefit of Mercer Island residents and neighboring communities.

Youth lessons are for ages six to twelve years of age. Our overall philosophy is children will learn the fundamentals of swimming at their own pace. Emphasis will be on quality strokes and teaching swimming as a life time sport. In Youth Beginner, the focus will be on fundamentals—the correct body position, correct head position, correct kick as well as correct arm strokes.

- Youth Beginner class will work on floating and swimming on the back and introduction of backstroke.
- Youth Intermediate, swimmers will work on side breathing with crawl stroke, strengthen the backstroke, and begin working on Breast stroke.
- Advanced Youth will be introduced to Butterfly, starts and turns, as well as swimming for distance.

If you are not sure which class is best for your swimmer, our staff is happy to help place your swimmer.
